- work - up to 20 hours a week during term time and full-time during the holidays. You must share proof of your term dates with your employer
- work on a placement which is part of the course your student visa is based on
- the work placement must be a compulsory part of your course and assessed as part of your course. Any work is also subject to the restrictions below

When you can start a permanent full-time job

If you apply for a Skilled Worker visa, you can start work in a permanent full-time job up to 3 months before your course completion date.

If you apply for a Graduate visa, you can start work in a permanent full-time job once you

have successfully completed your course of study.

All of the following must also apply:

- you are studying full-time at degree level or above with a higher education provider that has a [track record of compliance as a student sponsor](https://www.gov.uk/government/publications/register-of-licensed-sponsors-students) (<https://www.gov.uk/government/publications/register-of-licensed-sponsors-students>)

- you are waiting for a decision on your Skilled Worker or Graduate visa application, or the outcome of any administrative review against a refusal

Things you cannot do

You cannot:

- access public funds
- work as a professional sportsperson or sports coach
- work as an entertainer
- work in a position which would fill a permanent full-time vacancy unless you applied for a Skilled Worker or Graduate visa
- run a business or be self-employed - unless you have applied for a start-up visa

Continuous Absence

If you remain outside the UK for a continuous period of more than 2 years, your permission will normally lapse if it has not yet expired and you will have to apply for a new visa.

Legal basis of status

You have been granted permission to enter or stay in the UK, (also known as Leave to enter

or remain) until 11 October 2027.

National Insurance number

You will need to obtain a National Insurance number if you plan to work in the UK. If you have one already, it will show at the top of your immigration status profile. If you do not have a National Insurance number, you must [apply for one](#). You can start work while you are waiting for a National Insurance number if you can [prove your right to work](#) to your employer. If it has been more than 8 weeks since you applied for a National Insurance number, call the application helpline.
